

# ASCEND WITH ARGO

Education. Insight. Connections.

## Elevate Your Career

Ascend With Argo offers career-building education content, exclusive professional insights and a network of industrywide connections.

### DESIGNED FOR:

- **Recent graduates** with up to three years of experience
- **Early-career professionals** with three to five years of experience
- **Seasoned professionals** with more than five years of experience, but new to the insurance industry

### Join Ascend With Argo to access ongoing development opportunities, including:

- A shadow program that provides a firsthand look at underwriting
- Exclusive events and conferences
- A web-based training portal and content
- Webinars

### Previous webinar topics include:

- Client development skills
- How to make insurance applications and supplementals stand out
- Reinsurance
- Delivering a tough message in a changing market
- Finding a specialty in insurance

## Shadow Opportunities

Educational experiences pair Argo employees with brokers to provide a firsthand look at the underwriting process.

### THE GOAL IS SIMPLE:

Give brokers a better understanding of a day in the life of an underwriter.

- Explore Argo Group's lines of business and appetite
- Understand the submission clearance process
- Learn best practices for submissions

Producers are encouraged to bring a submission that they are working on. An Argo underwriter will walk through the process of underwriting it in real time.

Please reach out to the contact below to recommend an early-career broker on your team whom you would like to have participate.
