

Environmental Excess

Argo Environmental offers environmental excess coverage up to \$25 million in capacity. Argo Environmental writes directly over its own primary environmental policies and provides excess over other environmental carriers.

HIGHLIGHTS

- Policy limits up to \$10 million excess of primary or underlying excess and up to \$25 million when attaching above the first \$10 million
- Underlying carriers must have an A.M. Best rating of “A-” or better
- Excess can include limits over employers liability and auto liability
- Minimum premium: \$5,000 per excess policy
- Minimum attachment point of \$1 million

TARGET

Excess Over

- Environmental package policies, including GL and products
- Pollution/professional programs
- Site pollution
- Contractors pollution

SUBMISSION REQUIREMENTS

- Three years’ currently valued loss runs
- Expiring/underlying policies

Applications are available at argolimited.com/argo-environmental/applications.

Send submission materials to env@argogroupus.com.

APPETITE

Similar to our primary risk appetite.

Visit argolimited.com/argo-environmental for more details.
