

Contractors Equipment Express

Argo Marine's Contractors Equipment Express is a fast, streamlined rate, quote, and purchase platform for small to medium risks. The solution offers competitive rates – providing an instant quote without requiring a schedule of equipment – and creates a policy to purchase within minutes.

CAPABILITIES

- Admitted product available in all states
 - Scheduled coverage form
 - TIV limit up to \$10 million (any one item, \$1 million)
 - Inclusive of higher-hazard equipment
 - Three customizable tiers with optional endorsements
 - Minimum premium is \$1,500

TARGETED RISKS

- A broad range of specialty trade and service contractor's equipment

EXCLUDED RISKS

- Logging operations or equipment
- Recycling operations or equipment (grinders)
- Oil and gas drilling operations or drilling rigs
- Underground mining operations or directional drills

COVERAGE HIGHLIGHTS

- Examples of coverage extensions for debit/credit include, but are not limited to:
 - Trailers and spare parts
 - Miscellaneous tools
 - Waterborne equipment
 - Continual rental or lease
 - Equipment leased/rented or borrowed from others
 - Equipment leased or rented to others
 - Employee tools
- Valuation: replacement cost for equipment five model years or newer, otherwise actual cash value (ACV)

PROGRAM HIGHLIGHTS

- Instant referral triage to regional underwriter (within 24 hours)
- Up to 20% commission
- Dynamic pricing indication
- Instant quote letter, issuance and form specimens
- Easy single sign-on
- Policy term flexibility
- Instant clearance
- No need to input individual equipment values; simply provide the TIV and subtotals for cranes and batch plants

How to access the platform:

- **To sign up:** Go to portal.argogroup.com/auth/signup
- **To quote:** Provide the following information:
 - Insured name and address
 - Class code

- Total equipment value
- Number of years in business
- Loss runs
- Primary permanent yard information
